

# I Run to You

I run to You like streams  
that are drawn into the sea,  
like a fire to kindled tree,  
like a child to dreams.  
like time to eternity  
my one and only destiny  
You are full.  
Fill me.  
I don't want to be more me.  
I want to be new.  
No me.  
All You.  
I want to hear Your voice.  
Don't turn me away.  
Bless me Father.  
I won't leave until You do.
