

# Off to Vidalia this Morning

Preaching at a Bougere Baptist Church this morning. Should be an adventure. Probably very small. Thankful for the opportunity to share on Palm Sunday. This will perhaps be my first Easter next week that I won't be preaching. Darlene will return after an interview tomorrow. Caleb is drumming at Alpine today. I'm going to try to get the house finished tomorrow. I had a good time at Melinda and Wes last night. Came home and went straight to bed.
